WHAT IS CENTRALIZED PLACEMENT CELL (CPC)?

The **Centralized Placement Cell (CPC)** was formally established in **2021**.

The CPC was established to prepare the students and make them industry-ready with equal opportunity through intensive and innovative training methodologies.

The CPC aims for Unified and streamlined the placement process at DAVV to train the students and upgrade their soft skills and technical skills in the core thrust areas to equip themselves and become globally competitive.

Our enthusiastic team strives to strike a match between recruiter expectations and student aspirations effectively. The CPC coordinators and the student coordinators conduct regular activities to boost student placements. Massive growth in the number of companies, offers to students, packages offered, and the number of placed students every year.

MESSAGE FROM VICE CHANCELLOR

Dr. Renu Jain
Hon'ble
Vice Chancellor
DAVV Indore

We at DAVV Indore are committed to the best academic and research environment for our students and research scholars. As professionals after graduating, our students have contributed immensely to the growth of our country and we expect it to continue further. Despite the pandemic situation, students have shown resilience and made every effort to progress well in academics and research. The placement and internship teams at DAVV Indore will work with you to ensure that our students will get their dream jobs and that you get a suitable student/professional for your organization to move forward along a growth path. Our best wishes to all for one more successful placement season.

As a Vice-Chancellor, I have faith in the future of this institution and I have a strong belief in the vision that drives this university. It is derived from its logo statement as **“DhiyoYonahPrachodayat”**. This, in Sanskrit, is derived from Gaytri Mantra: verse of Rigveda iii/62/10, which means “May all thoughts be inspired by that divine light and dispel the darkness”.

MESSAGE FROM CPC COORDINATOR

Dr. Govind Maheshwari
CPC Coordinator
DAVV Indore

Over a decade of Existence as a premier institution, Devi Ahilya Vishwavidyalaya has made a mark by providing the student's job opportunities in prestigious and reputed firms. The institution has made constant efforts to provide knowledge-based expert services to satisfy the needs of the industry and thus help in building a positive attitude in the young minds of this generation and preparing the youths to face the challenges of the corporate world. The Placement office at DAVV Indore serves as a link between two important stakeholders: our students and you, our valued recruiter. My gratitude is due to our regular recruiters who have shown consistent faith in the institute's value system.

The story of a successful placement season is incomplete without due acknowledgment of the laudable and unwavering support of the distinguished alumni of the institute and this year was no exception. Last but certainly not least, appreciation is in order for the students across the batches who have upheld the qualities and values the Institute proclaims and simultaneously ensure the culmination of the smooth and flawless placement season.

PLACEMENT PROCESS

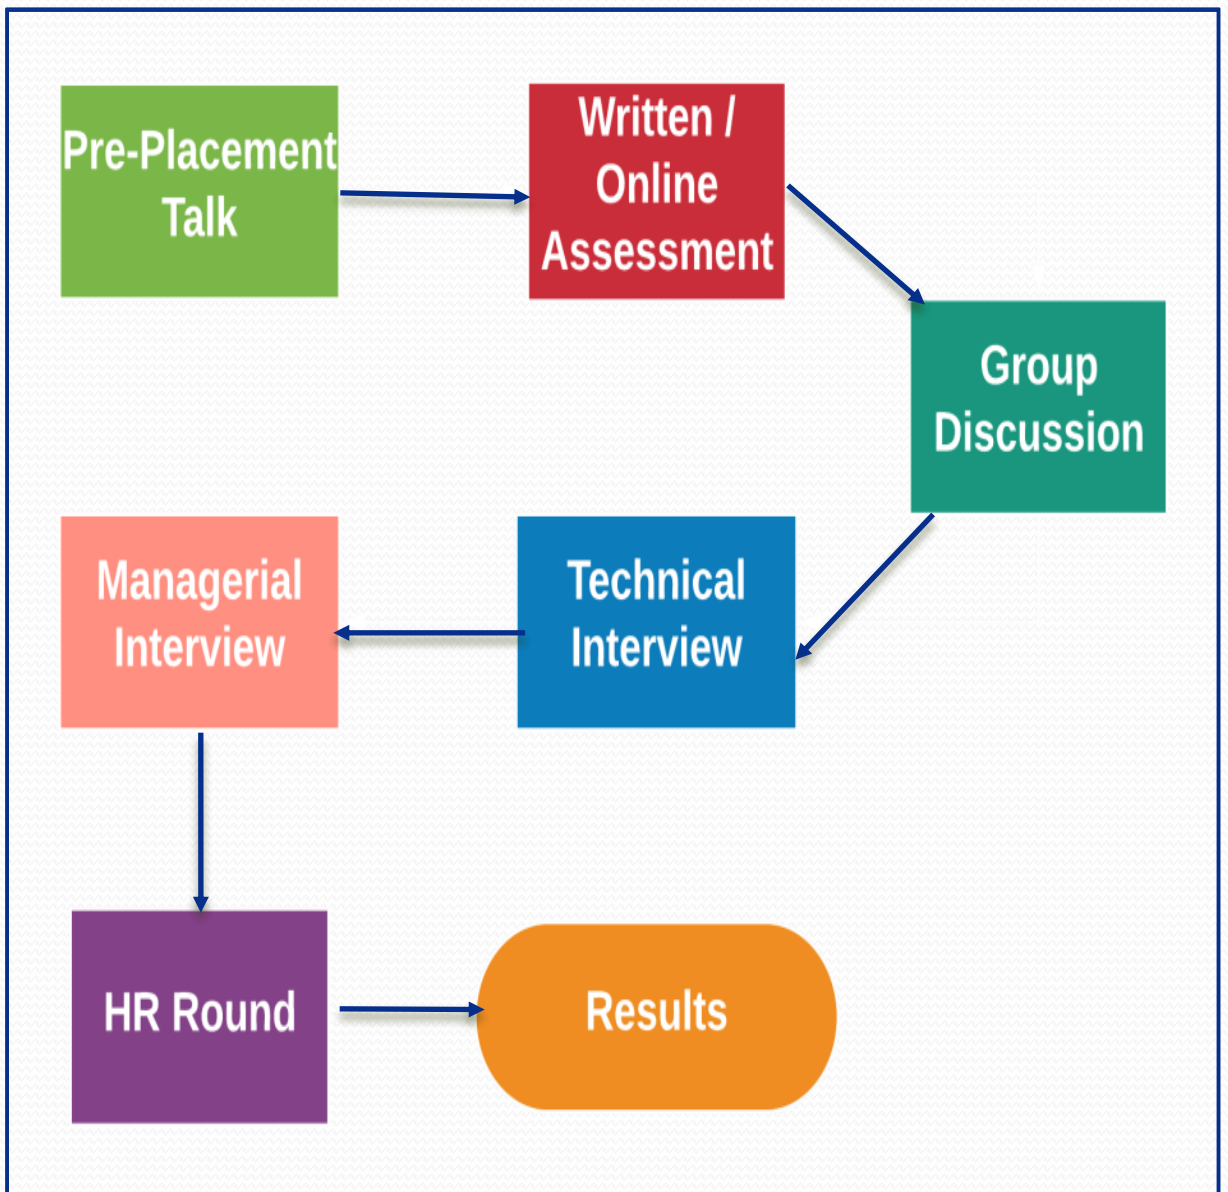

The eligible students appear for the placements. Placements are conducted for the students of **BE, MCA, MTech, ME, MBA, Msc M.Com** and other courses from different **UTDs**.

The process begins with the Pre-Placement Talk also known as PPT, which is a brief about the company given by the company delegates.

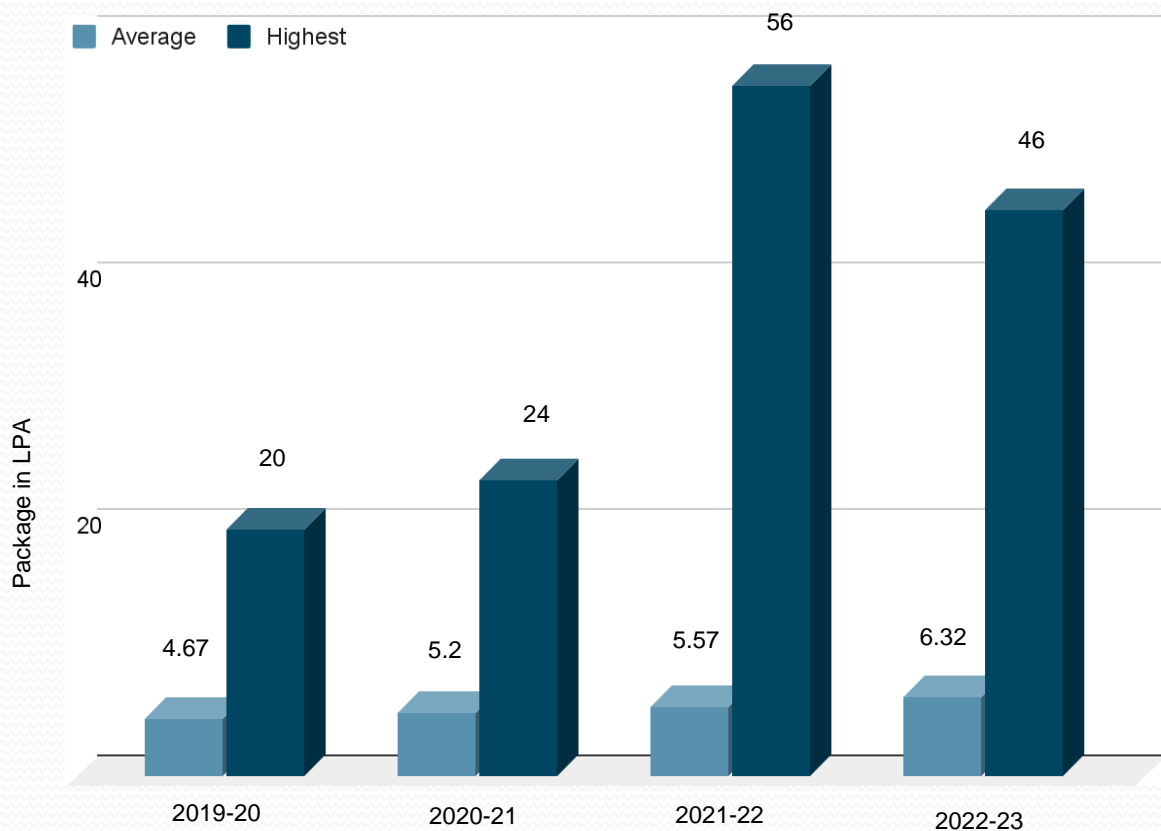

Online/offline assessment is conducted which involves an aptitude test and a technical round. This is followed by Group Discussion, a communicative situation in which participants share their views and opinions about a particular topic. Following this, multiple interview rounds may be conducted.

HR Round is the final round determining the selection or rejection of the candidate according to the company's requirements.
